- Android Tablet !
- Water Resistant !
- Drop Proof !
- High Performance !

Introducing the new 7" capacitive multi touch display water resistant media tablet from CarTFT. CTFPND-8B is rugged design with IP67 rating whilst also being drop proof. With its detailed industrial and mechanical design, the CTFPND-8B keeps the high performance media tablet in a fashionable and durable housing which is great for outdoor activities. For a better audio and video experience, CTFPND-8B allows users to experience high definition (HD) content on the device.

- Octa 1.7Ghz CPU, 2GB RAM, 32GB ROM !
- High performance media tablet with rugged design with IP67 rating
- Drop proof of 1M
- Dual Cameras
- Speakers for high quality audio playback
- 7" capacitive multi touch screen tablet for great mobility
- True HD 1080P Video Playback & Output

- High capacity battery for an entire days use
- Android 4.4 support
- GPS/WLAN/BT/3G !

If you have a project with serious size and are able to sign a NDA we can provide Androis-OS-system builder kit for this device which enables you to create your own Android OS image (eg. own boot logo, own preinstalled apps and settings, etc...) !

Hardware
