FEEL THE DIFFERENCE

The BlackWidow Chroma V2 is the world's best mechanical gaming keyboard—and every bit worthy of its title. The flagship keyboard features three mechanical switch variations, macro keys, and ultimate comfort to game for hours on.

TOURNAMENT-GRADE PRECISION

Designed specifically for gaming, Razer™ Mechanical Keyboard Switches actuate at an optimal distance, giving you speed and responsiveness like never before. Razer™ Mechanical Switches have been lauded as the new standard for all mechanical gaming keyboards since their introduction.

ENGINEERED FOR DURABILITY

Razer™ Mechanical Keyboard Switches have consistently proven themselves to be the best for gaming, delivering both top-notch performance and reliable durability without compromise. This very same Razer technology and design is now being manufactured in-house end to end, ensuring even stricter requirements are met for each switch produced, resulting in a lifespan of up to 80 million keystrokes.

POWERED BY RAZER CHROMA

The Razer BlackWidow Chroma V2 features individually programmable backlit keys with 16.8 million color options, all easily set through Razer Synapse. From preloaded lighting effects for different types of games, to your own custom uniquely programmed palette of colors, you can effortlessly enhance your gaming experience in a way that is unique only to you.

ULTIMATE GAMING COMFORT

Specially designed for the Razer BlackWidow Chroma V2, this wrist rest features ergonomics that ensure that no matter how intense your gaming marathons are, you're always comfortable.
